“My summer spent serving the Lord on staff at Westminster Woods has been the single most significant experience on my spiritual journey. I went from knowing about Jesus to truly knowing Him. The ability to serve His Kingdom firsthand with the most God-fearing bunch of college kids is an experience you can't find many places. Internships can wait, this is your opportunity to go to the ends of the earth and be a faithful disciple.”

WOODS CAMP**

OUR STORY

Nestled on 400 acres of timber, Westminster Woods is a camp dedicated to the glory of God! Last summer we had over 500 campers of all ages come through our gates for the “Woods” program. We run five camps in June including a one day family camp and several weekly overnight camps. Each week you will have a different age group starting with 3rd graders and the ending week will be high school camp. Our mission is to proclaim the love and truth of God to each and every camper, volunteer, and staff member that comes to Westminster Woods.

WHY SHOULD YOU APPLY?

We are looking for dedicated Christ followers that will join together to help lead our campers this summer. No matter what position that you hold we believe that every person on staff plays a valuable and vital role in the camper’s lives. If you have a passion to serve others, a desire to spread the Gospel, and wish to have the most fun and rewarding seven weeks, please pray about joining our ministry!
