

## As summer camp approaches we ask that you partner with us in prayer.

**Pray** for the campers that come through the gates - that their cabins are full of new friendships, fun memories are made, and that they leave knowing the truth and love of Jesus!

**Pray** for the summer staff - that they grow together, have inexhaustible energy, and that they are able to show campers an abundance of joy, patience, and love!

**Pray** for the full-year staff - that they can continue to stay healthy amongst the chaos, for long-term endurance, and that excitement and wisdom continue to be woven into camp preparations!
